LB 344, 538

allow restaurants and public places that did not want to comply with this law to put a public sign up saying, we choose not to comply with the smoking law and, therefore, be outside of it but it would be public notice. Senator Stoney has asked me to withdraw it. I do ask unanimous consent to withdraw it. I do believe, however, that the bill in its present form may have enough problems that it might have trouble on final but in deference to Senator Stoney I do ask unanimous consent to withdraw it.

SPEAKER MARVEL: So ordered. Next item is 538.

CLERK: Mr. President, Senator Warner moves to return LB 538 to Select File for a specific amendment and the amendments are on page 1934.

What all the language does, it will permit the Legislature to review and it requires both the Department of Agriculture and all their and all their marketing promotions, whether it is checkoff programs or those operated by the department that through the appropriation process those various contracts and the expenditure of those funds can be reviewed by the Legislature prior to the adoption of the budget and it is two sections to it. One deals with the programs that are actually conducted by the Department of Agriculture. The other section deals with the various checkoff programs.
